Dear Mr Igesund

Thank you for the presentation you delivered on Hamilton's Football Academy at our recent Sub Council 9 meeting in Khayelitsha.

Subcouncil 9 would like to congratulate you on the profound work you are doing in our communities. You are positively impacting the lives of our youth in ways unimaginable.

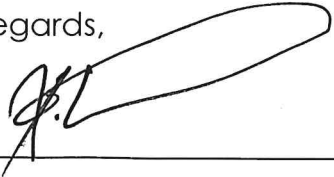

It is a national desire to give every child a chance to play sport in some way and Hamilton's Football Academy has an approach which is exactly in line with our way of thinking - that there can be no real human development in sport without the access to skilled coaches and the necessary infrastructure to support it.

On the above basis, Subcouncil 9 is happy to give your project my full endorsement. I look forward to continuing this relationship and attending ceremonies to celebrate its successes in the future.

We wish you the best in your Youth Development endeavours.

Yours sincerely

Regards,
