## RE: Letter of Recommendation – Hamilton Football Academy

To whom it may concern

It gives us great pleasure to share our recommendation of Gordon Igesund, representing Hamilton Football Academy. PUMA have nominated the academy as one of its beneficiaries within our CSR program and have done so for the past 2 years. Our program includes providing gear and technical knowledge to disadvantaged players. It has been wonderful to witness the positive development and commitment of this academy.

We remain a partner going into 2020 and look forward to contributing to their vision of developing players for the future and promoting sport in the Western Cape.

Yours faithfully,

---

Leigh Copeland  
Head of Human Resources
