Letter of endorsement for Hamilton Football Academy

WPCC are delighted to be working together with Hamilton Football Academy ("HFA") and founder, Gordon Igesund, and hereby endorse the Hamilton Football Academy and its activities.

The project itself has opened a new sports code to our sports club which has shown immense potential and growth in its early stages.

WPCC has committed to a long-term partnership with HFA and Gordon, and have taken a keen interest in the education and feeding scheme that the HFA has installed in the afternoons at WPCC.

WPCC happily offers its conference rooms to facilitate the tutor sessions for the players while our catering department assist in making simple meals for the players. This is a fundamental part of the program and we are happy to be a part of this success.

We look forward to the future growth of the Football Academy and the relief, support and goodwill it is currently providing to communities with their work done in townships.

We are encouraged by the work done by Hamiltons Football Academy and their professional manner in which their coaches, led by Gordon, train and facilitate sessions with the players.

Yours sincerely,

Duncan de Groot
